ALEXANDRIA, VA., MONDAY EVENING, FEBRUARY 20, 1905.

PRICE 2 CENTS.

Who would exchange the merry noise of children at play, with the childless home where the clock tick can be heard, hour after hour in the dull silence? But there are a great many who would.

Like to people the silent house with the children that fate has refused them. Fate is often in this case only another word for ignorance. Many a glad mother dates her happiness from the day she first began the use of Dr. Pierce's Favorite Prescription. It often happens that with the cure of female weakness and the establishing of the delicate womanly organs in sound health, the way is opened for the joy of motherhood.

"Favorite Prescription" is a specific for the chronic ailments peculiar to women. It cures them perfectly and permanently.

No other medicine can do for women so much as "Favorite Prescription." Do not therefore let any other medicine be palmed off on you as "just as good."

"Favorite Prescription" contains no alcohol, opium, cocaine or other narcotic. It is strictly a temperance medicine.

"I can truly say your medicine is a friend of mine," writes Mrs. Arthur Pratt, of Amherstburg, Ontario, Canada. "I am mother of four children and suffered greatly at times of birth of first three. When three months along with the last one I began to think of trying some medicine to ease these terrible pains, and asked our doctor whether there was anything he could give me to lessen labor pains. He said there was nothing that could help me. I then thought I would write to Dr. Pierce. He advised me to take his 'Favorite Prescription.' I started to take it and life was a dream. I would often say, Oh, if I could only die in one of these spells! But I took five bottles of 'Favorite Prescription' and felt better every day. I got along well at the time of delivery. I had heard of painless childbirth, and I thought it must be a good medicine that would help these pains, but I know now for myself and can not tell it plain enough. Your 'Favorite Prescription' is the best medicine as we mothers know. I advise my friends to try it. Baby is now four months old and is a strong healthy boy."

CLEANLY WOMAN.

Erroneously Thinks by Scouring Her Scalp That She Cures Dandruff.

Cleanly woman has an erroneous idea that by scouring the scalp, which removes the dandruff scales, she is curing the dandruff. She may wash her scalp every day, and yet have dandruff her life long, accompanied by falling hair, too. The only way in the world to cure dandruff is to kill the dandruff germ, and there is no hair preparation that will do that but Newbro's Herpicide. Herpicide by killing the dandruff germ, leaves the hair free to grow as healthy Nature intended. Destroy the cause you remove the effect. Kill the dandruff germ with Newbro's Herpicide. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

RUSSIAN AFFAIRS.

The Czar has restored Grand Duke Paul, youngest brother of Grand Duke Sergius, to rank and family. Paul was degraded several years ago because he contracted a morganatic marriage.

The assassin of the Grand Duke Sergius, though attired as a peasant, is believed by the authorities to belong to the upper classes. All his papers were forged.

The late Grand Duke Sergius is reported to have said that every member of the liberal party was at heart a bomb-thrower. His fate was a realization of his policy: "Better perish by bombs than by reform."

The bells of the 500 churches in Moscow were tolled and requiem masses were celebrated Saturday. No members of the imperial family attended the requiem service in St. Petersburg. They have all been warned by the police authorities to keep close within the walls of the palaces.

It has now been definitely decided that the remains of Grand Duke Sergius will not be taken to St. Petersburg for the present, but will be placed in a temporary receiving vault of the cloister of the Chaudoff monastery after the funeral services next Thursday to await the completion of the alterations now in progress in the Romanoff mausoleum in the Cathedral of St. Peter and St. Paul, where the permanent interment will occur, among the tombs of his ancestors.

On account of lack of space in the mausoleum it was decided last year henceforth to bury only rulers of the dynasty in the old mausoleum, and a new sepulchre in the new wing of the cathedral is now being built for other members of the imperial family. This, however, is not the only reason for the decision not to bring the remains to the capital now.

Even Governor General Trepoft has recognized the fact that no precautions can furnish an absolute guarantee of immunity against an act of terrorism; and at a great State funeral, where ancient custom requires that the emperor and all of the Romanoff family assemble and follow the coffin on foot, a single bomb might wipe out the dynasty.

The public is greatly concerned over the developments of the immediate future. Other terrorist crimes are generally anticipated.

In addition, the strike situation has again grown menacing, especially in the matter of the railroads, three of which entering Moscow are almost completely tied up.

In St. Petersburg the strike has assumed the form of a lockout, the Putiloff Iron Works, the Franco-Russian Works, the Russo-American Rubber Works and a few smaller concerns having discharged all their employees, with the notice that the works will be shut down indefinitely. Consequently there are many alarming reports afloat as to what the men will do.

The closing of the Franco Russian and the Putiloff Works is a serious embarrassment to the government, as the former is engaged exclusively on navy work and the latter in manufacturing guns and munitions for the army.

Over 25,000,000 projectiles and shrapnel are being prepared at the Putiloff Works, and the government has been compelled within the last 10 days to place orders in France and Germany for \$125,000,000 worth of munitions.

At the government-owned Nevsky Works the Minister of Finance has been able to hold the men only by conceding everything they have demanded, including the eight-hour day.

Stabbed Wife in a Theater.

Mrs. Lettie Trostle, a stage hand at the Academy of Music, in Lebanon, Pa., is lying in a critical condition at the Good Samaritan Hospital as the result of an attempt upon her life by her husband, in the playhouse, Saturday night, and her husband is in jail, charged with the crime. She is but 17 years old. As a result of the domestic infidelity of the young couple the wife's parents took her home several weeks ago, further embittering the husband against her. It is alleged that he met his wife on the street on Friday night and after threatening dire things, used her roughly and fractured her collar bone. Warrants were issued charging Trostle with assault and battery and threatening life. County Detective Siegrist and two policemen went to the Academy on Saturday night to make the arrest, and when Trostle learned of their mission he resolved upon a hasty revenge. Securing a table knife used on the stage he dashed through a private door to the orchestra circle and grabbed his wife, who was seated in a front seat with her parents, by the throat, and before anyone could interfere, he lifted the knife in the air and plunged it into her breast. The act was committed in sight of a large audience, and created a panic. Women fainted and the shrieks of the young woman caused the greatest excitement. The officers were meanwhile apprised of the occurrence and jumped over the footlights to intercept the villain in the impromptu tragedy, but were too late. Trostle was arrested however, and was taken to jail, while the woman was carried to the stage dressing rooms.

Health of American Women

A Subject Much Discussed at Women's Clubs—The Future of a Country Depends on the Health of Its Women.

Mrs. T. C. Willadsen Miss Mattie Henry

At the New York State Assembly of Mothers, a prominent New York doctor told the 500 women present that healthy American women were so rare as to be almost extinct.

This seems to be a sweeping statement of the condition of American women. Yet how many do you know who are perfectly well and do not have some trouble arising from a derangement of the female organism which manifests itself in headaches, backaches, nervousness, that bearing-down feeling, painful or irregular menstruation, leucorrhoea, displacement of the uterus, ovarian trouble, indigestion or sleeplessness? There is a tried and true remedy for all these ailments. Lydia E. Pinkham's Vegetable Compound has restored more American women to health than all other remedies in the world. It regulates, strengthens and cures diseases of the female organism as nothing else can. For thirty years it has been curing the worst forms of female complaints.

Such testimony as the following should be convincing.

Mrs. T. C. Willadsen, of Manning, Ia., writes: "I can truly say that you have saved my life and I cannot express my gratitude to you in words. For two years I spent lots of money in doctoring without any benefit for menstrual irregularities and I had given up all hopes of ever being well again, but I was persuaded to try Lydia E. Pinkham's Vegetable Compound and three bottles have restored me to perfect health. Had it not been for you I would have been in my grave to-day."

Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

It was found that the knife had bent upon striking her collarbone, thus saving her life. She sustained several broken ribs, however, in the struggle and with the nervous shock, is in a critical condition at the hospital.

A Touching Story

is the saving from death of the baby girl of Geo. A. Eyer, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious throat trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At E. S. Leadbeater & Sons' drug store; 50c and \$1.00 guaranteed. Trial bottle free.

Chamberlain's Stomach and Liver Tablets. Unequalled for Constipation.

Mr. A. R. Kane, a prominent druggist of Baxter Springs, Kansas, says: "Chamberlain's Stomach and Liver Tablets are, in my judgment, the most superior preparation of anything in use today for constipation. They are sure in action and with no tendency to nauseate or gripe. For sale by Gibson & Timberman and W. F. Creighton & Co.

That Tickling in the Throat. One minute after taking One Minute Cough Cure that tickling in the throat is gone. It acts in the throat—not the stomach. Harmless—Good for children. Sold by all druggists.
